# The Umgazi Mag: January

*About This Issue*

## *I cannot tell a lie*

Like George Washington who is credited with the words above, after he supposedly chopped down a cherry tree, which to my knowledge had done NOTHING at all to him personally, I cannot tell a lie (well, in this case accept credit where credit is not due).

The name of our marvellous magazine is none of my doing, I'm afraid. Credit has to go to "he who must be obeyed", aka Steve, who came up with the name all on his own!

For a moneybags treasurer he certainly has a way with words!  
So all hail to Steve Eden, namer in chief of the uMGazi Mag. Let 2019 be a peaceful and prosperous one for all the MG family, wherever you may be.  
Love  
Hazell

PS I would also like to add that for me one of the highlights of 2018 was the 40th Anniversary weekend away. It was such fun, I think Steve might be persuaded to do it all over again!

## First

**Our First Newsletter for 2019.**

**We started the year with some MaGical Memories and our first Noggin, Enjoy an evening inspired by Cape Malay culinary flavours prepared by the First Lady**

**We visit the Leeferinks for the first time where we meet some first time members + have three V8s for the first time.  
The first date for the AGM is changed and our first look at some exciting events lined up for the year.**

**With so many firsts, 2019 is sure to be a blast!**

Chairman's Letter

Northern Center's 41<sup>st</sup> year started exceptionally well with 3 excellent events in January to usher in 2019. The first event being a successful end to the series of 4 **MaGic Memories** evenings spread over the last 5 months, the second a well-attended **Club Night** had members asking for more with an excellent Cape Malay menu cooked up by Annette and Tony Craddock. This was followed soon after by an equally well attended **Club Run** to Jane and Gerald Leeferink's beautiful home on the banks of the Muldersdrift Se Loop, besides 25 MG's in attendance there were 3 V8's on one run, something not seen for a long time.

On behalf of the club I would like to thank the Leeferink's for opening their exquisite home to the club and generously providing all the tasty salads as well as making us feel completely at home to make it a memorable run to start the year. We can truly say welcome to the MG family to Jane and Gerald we look forward to seeing you on runs this year as well as Tim studying at Tukkies, just down the road from the clubhouse.

Another big thank you goes to the Craddocks for once again volunteering and catering a Club Night and then generously donating the food contribution for the evening to the club which was in excess of R1000. Both events setting high standards be it for the quality of food, the special memories created, and the infectious enthusiasm generated by all. One such moment was seeing Trevor and George in the MGB, to me it captured the essence of what this club is about and once again proves that MG is the Marque of Friendship, the combined age in that car including the MGB was over 200 years! Surely a good starting position for the Centenary Run later this year.

In the early part of February we hope to put out a calendar of events for the whole year, which will allow you to facilitate your planning and hopefully be a basis for all the clubs to coordinate MG events on a national level, ensuring major events don't clash with club events but also allowing MG members from out of town to attend local events if they are traveling.

Last year Cape Town celebrated their 70<sup>th</sup> anniversary, this year KZN are 80 years old and Johannesburg turn 50, two mile stones celebrations. Once we have their dates we will publish and coordinate to ensure our club has representation at both events. We are planning a weekend away as a club event later in the year. In addition, the theme at the **Scottburgh Classic Car** show in KZN this year will be MG.

Peter Fielding the organizer has indicated that this could be the last show, besides a cause well worth supporting the car show is an excellent event. Roger Pearce is organizing a **Durban Dash** run that will be ending at the show, information and entry forms for the Durban Dash will be found elsewhere in this newsletter.

One of our major events for this year the **Brooklyn Mall MG Time Line 2019** is coming up on the 23<sup>rd</sup> + 24<sup>th</sup> February. Planning is well in hand and details with regards to cars required for exhibition will follow shortly. This year the 4<sup>th</sup> year the Time Line exhibit will be held, we are fortunate that Jacque Debeil has consented to exhibit the Harry Pierce MG special, FLO, a car with extensive history when it originally competed as well as after it was rebuilt and competed in Historic racing more recently. We have also been fortunate to make contact through social media with the Pierce family who are very keen to attend the exhibition with the focus on T Types, FLO having started out life as an MG TC.

We will need a large number of members to man the exhibition and this year a roster will be prepared and managed by an appointed exco member. If you are keen to help with a two-hour shift during the weekend please let me know. The cheese & wine (and beer for Jeremy) will be on the Saturday evening at 18h00, all members and families are welcome, we only need to know if you attending to ensure sufficient catering is provided.

The next event will be the Zwartkops Passion for Speed at the beginning of February followed by the Noggin which will address the proposed changes to our Club's Constitution to bring it in line with how the club has evolved. Please ensure your subs are paid up and attend the March AGM Noggin on the 4<sup>th</sup>, not only to have a voice and let us know what your opinion is but also to support your exco that have worked tirelessly this last year.

Octagonally  
Pepi

# Club Notices + Announcements

*Change of Date for our Annual Prize Giving and AGM*

## AGM + Awards Evening Revised Dates

Please be aware that due to an administrative oversight we have had to move the **AGM to the Noggin on the 4<sup>th</sup> March.**

However the Exco would still encourage you to attend the Noggin on 4<sup>th</sup> February where we would like to address some proposed changes to the Club's Constitution.

Exco are of the opinion that there are some changes that need to be made to updated the current constitution to bring it in line with how the Club operates. The proposed changes take into account how the Club has evolved over the years as well as looking forward towards future opportunities.

Raising and discussing the proposed changes will allow the committee to consult with members, get valuable input and feedback and provide sufficient time to formulate any agreed changes before proposing them at the **Annual General Meeting on 4<sup>th</sup> March.**

The Agenda for the AGM will be formalized to allow country members and those who are unable to attend the AGM an opportunity to express their opinion on any such proposed changes.

The Agenda and notice of AGM will be sent out by the 15th February 2019.

### REVISED DATES

<b>Natter n' Noggin 4<sup>th</sup> February:</b>	Presentation + Discussion of proposed changes to the Club's Constitution
<b>Natter n' Noggin 4<sup>th</sup> March:</b>	AGM + Resolution of any agreed changes to the Club's Constitution
<b>Club Night 15<sup>th</sup> February:</b>	Awards Evening + Prize Giving

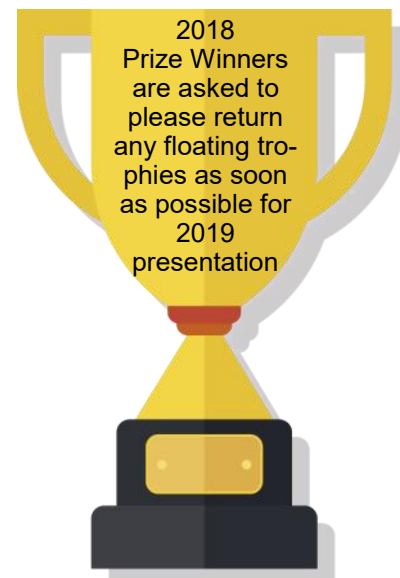

## A plea from the Treasurer

**The AGM is approaching, as is the due date for renewing your membership of the best MG Centre in South Africa if not the world!**

**Full membership R390  
Country membership R230  
(Home address over 100km from Clubhouse)  
R40 discount if paid by EFT**

Account Number 62363284359**

# Muldersdrift Picnic

*Our January Club Run: A picnic graciously hosted by Jane + Gerald Leeferink at their country retreat. Article by Pepi.*

The Leeferink picnic was an ideal way to start the year. After the holidays and before the inevitable onset of work mode, the picnic proved to be the perfect way to enjoy that holiday feeling one more time.

Jane and Gerald, our gracious hosts, made us all feel at home in their beautiful piece of heaven. Not only by opening up their home but also providing salads, cutlery, crockery tables and chairs to make sure all we needed to do was bring a "dop and a chop".

The pool and the Jacuzzi were well used by young and old, contributing to the convivial atmosphere on a day that started overcast and ended in perfect sunshine.

The convoy that set off from our clubhouse just after 10am was made up of 12 MG's representing a range of models from Miss Daisy, an immaculate ZB, at the head of the convoy to the tatty TF160 used as a daily car "sweeping" the convoy. (Note on the side, my mom loved the idea that I spent part of my day sweeping!)

Miss Daisy set a leisurely pace and setting the tone for the relaxed day that lay ahead. When the convoy arrived a number of cars from the South side of the Jukskei had already received a warm welcome. All told we had 25 MG's on the run.

Jane not only welcomed each car at the entrance but had made warning signs to ensure no damage was done to the low MGs on the water channels along the driveway.

Just before setting off from the clubhouse, I received a surprise call from Dave Westaway asking to join the convoy. I thought it odd as Dave lives within a few kilometers of the Leeferinks but the question was answered when he arrived with a new face in the passenger seat and promptly introduced me to Linde. It all made sense, who would not want to drive 130km odd there and back with a pretty lady at your side instead of a few short kilometres? Especially as this was her first MG run.

In fact there were a number of firsts on the first run of the year, for the first time in memory we had a trinity of V8 MGs, two chrome bumper and one rubber bumper which brings us to the next first. It was great to welcome back Gavin and Bernadette Noeth with their twins, Curtis and Ronan who I met for the first time at the run, although only 6 years old they can look forward to a V8 each when they grow up. Their grandfather, Peter was one of this club's stalwarts and an MG enthusiast to the core! We now have two families in our club stretching into a third generation, the Noeths and the Grovers. This can only bode well for the future of MG and this club.

# Muldersdrift Picnic

*Our January Club Run: A picnic graciously hosted by Jane + Gerald Leeferink at their country retreat. Article by Pepi.*

Another first Jane and Gerald hosted the MG family and organized an event for the first time, we must have behaved ourselves and not broken too many glasses as we have been offered the use of their beautiful home again. It is worth pointing out that Jane and Gerald first met us at the Brooklyn Mall MG Time Line exhibit in 2017 and shortly after that went off to buy the late Rudi De Groot's beautiful MGB and subsequently have purchased an MGA and the next will be an MG TC or TD. Gerald had promised Jane that a long time ago and you know what they say about promises ....!

The stunning vision of 25 MGs ranging from a TD trough to ZR's in the beautiful setting along the banks of The Muldersdrift Se Loop was one of the highlights, the other being the enthusiasm of each person, young and old on a day that once again brought the marketing slogan "MAINTAINING THE BREED " to life.

Thank you Jane and Gerald for making the day a truly MaGical one.

# January Club Night

*Tony + Annette Cradock, spoilt our club members with Cape Malay inspired Club Evening  
Mervyn Finaughty displayed the "Grey Lady" on the stoep*

Our first Club Night of 2019 was hosted by Tony and Anette Cradock. As usual the evening was wonderful display of delicious food and surprises from Anette. Her Malay inspired boebetie and curry + rice were certainly enjoyed. For afters, the Malay inspiration was evident in the mini Melktert, koeksisters, apricot + coconut Hertzoggies and chocolatey Ystervarkies!

Thanks to Tony and Anette and Avril for all the hard work.

Mervyn Finaughty displayed the beautiful "Grey Lady" on the stoep. The MGB GT is beautifully kept and a testament of Mervyn's dedication to the MG Family.

The evening was filled with the laughter of our returning members, catching up on Christmas holidays and discussing the optimistic 2019!

We did miss members who were unfortunately unable to attend but hope to see the whole family at the Clubhouse soon!

Bev brought Bread Pudding!

# Durban Dash

*A n exciting trip to the Scottburgh Classic Car Show has been arranged by Classic Car Event!  
Entry Forms are at the end of the Newsletter*

Some years ago a character by the name of Hugh Anderson put on an event called the Durban Dash. This was a fun, cheap and no rules way of getting to Cars in the Park in Pietermaritzburg. Sadly Hugh passed away some years ago and the Durban Dash went with him.

We have decided to resurrect this run but in true Hugh fashion the Durban Dash 2019 will not end in Durban but in Scottburgh where we will attend the 2019 Scottburgh Classic Car show.

Another name for this event could be the JD run as the recommended route will faithfully follow the route that the upward DJ run for motorcycles take from Durban to Johannesburg but in reverse, hence JD, from Heidelberg to Hillcrest. If you have ever wondered where and how the DJ run goes now is your chance to follow the same route.

The event will start from Randburg on Friday the 5<sup>th</sup> July 2019, overnight in Newcastle and spend two nights in Scottburgh leaving Monday the 8<sup>th</sup>. The recommended route has a distance of 372km on day one to Newcastle and 449km from Newcastle to Scottburgh. Entrants are free to follow any route they wish and also to overnight wherever they wish from camping to an overnight package that we offer as an option for the night in Newcastle and two nights in Scottburgh.

The term vehicle covers any form of motorised road transport from bike to cars to tractors. Arrangements can be made if you wish to join us in an aeroplane of suitable vintage.

The cost of entry is R500.00 which will include a Rally Plate for your vehicle, a printed recommended route schedule, a file of the route to load into a GPS Garmin device if you desire and entry. A percentage of the entry fee will go towards a charity of the Scottburgh Classic Car Show's choice and will also covers the cost of a driven survey of the route recorded on a GPS file. We can offer you accommodation, if available, in Newcastle and Scottburgh but that is your choice. See attached entry forms.

There are no rules and any vehicle can take part however only pre 1975 vehicles are allowed into the Scottburgh Classic Car show arena and later model vehicles have to park in the public parking areas. Whilst there are no rules, as we always do with the events that we organise, we recommend that you take along a fire extinguisher, a tow rope, two high visibility safety vests and 5L of water. Entrants are also encouraged to dress up in period fashion on the show day.

So for a weekend of fun join us for the Durban Dash (which actually goes to Scottburgh) in July 2019.

Regards,

Regards,  
Roger Pearce
